### **Information for TINY TOTS Students - 2017**

**Tiny Tots students must have turned 3 prior to commencing classes**

Our Tiny Tots classes assist in the development of gross motor skills, coordination, musicality and the basics of Ballet technique. The children work independently with their teacher/s in a fun and engaging atmosphere. Parents are not generally allowed in the studio while the class is in progress. An Open Day is held each term and provides an opportunity for parents and family members to watch the children in their class.

Our Tiny Tots also have their very own concert held at the end of each year.

#### **UNIFORM:**

Any leotard-based dancewear is acceptable. Children usually wear a leotard and matching chiffon skirt – colour is optional.

They must have proper ballet shoes so they learn to use their feet properly.

Hair should be up and off the face and neck in a ponytail or bun if the hair is very long.

Please bring water bottle to class, marked clearly with name.

Ann Roberts polo shirt available for order at office.

Dancewear - available from First Class Dancewear, Anne St, Aitkenvale

#### **FEES**

\$10 per lesson. Pay as you go.

**OR** 10 class card available for \$100
